

AFTER YOU FILE

After filing claims on behalf of your employees:

- The following correspondence will be generated the next day after you file:
 - **A list of wage determinations (DOL-4605)** showing each employee's name, the beginning date of their 12-month benefit year, the ending date of their benefit year, their weekly benefit amount (WBA), maximum benefit amount (MBA), and the maximum number of weeks they can receive benefits (Week Duration). Employees may request a reconsideration following the instructions in the Benefit Determination if they disagree with the employment/wages used to determine their monetary eligibility.
 - A **Benefit Determination (DOL-411G)** to each employee informing them if they met the wage requirements to establish a valid claim, and if so, their weekly benefit amount, maximum benefit amount, and maximum number of weeks.
 - A **debit card fee schedule (DOL-5144)** to each employee, unless they already have current direct deposit information on file with the Department.
 - A **Georgia UI Way2Go Debit MasterCard®**. If they do not already have current direct deposit information on file with the Department, their first payment will be loaded on the debit card. The card can be used anywhere MasterCard is accepted, including automatic teller machines (ATMs). See the instructions below if they wish to switch to direct deposit.

NOTE: Personal Identification Numbers (PINs) are no longer mailed to partial employees.

ADVISE YOUR EMPLOYEES

Advise your employees of the following:

- They do NOT have to file an unemployment insurance claim. You are doing that for them.
- They can elect to have state and/or federal taxes withheld by GDOL.
- They have the option of using direct deposit or the Georgia UI Way2Go Debit MasterCard®. If they do not receive their debit card within 15 days, they should call Georgia UI Way2Go Debit MasterCard Customer Service at 1.888.929.2460 to report the card as lost or stolen and request a replacement card.
- Employees choosing direct deposit must enter their direct deposit information on the GDOL website by selecting [UI Benefit Payments Method](#) under Online Services. They cannot enroll in direct deposit until AFTER the first week of claims are submitted. A personal identification number (PIN) is required. **A PIN will NOT be mailed to them.** They can create a PIN following these instructions:

- They can check the status of their claim by selecting [Check My UI Claim Status](#) on the GDOL website.
- They are NOT required to report to a career center, register for Employment Services on EmployGeorgia.com, or search for work.
- If they receive notification from GDOL that their claim is not monetarily valid due to insufficient wages **and** they know they have other employment in the quarters, they should contact their local career center for assistance.
- Claims for non-citizens cannot be processed until their legal presence in the U.S. is verified by Homeland Security. If Homeland Security cannot verify their legal presence using the information you submitted when filing their claim, the GDOL will mail a *Request for Verification of Citizenship or Alien Status (DOL-5154PC)* to the employee.
